

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Application of Southern California Edison  
Company (U 338-E) for Order Approving  
Contracts to Secure Additional Capacity for  
System Reliability in SP-15.

Application 05-06-003  
(Filed June 2, 2005)

**ADMINISTRATIVE LAW JUDGE'S RULING  
GRANTING STAY**

This ruling grants the September 21, 2005 motion of Southern California Edison Company (SCE) for a stay of the procedural schedule. SCE requests the stay pending resolution of its concurrently-filed motion to withdraw the application which commended this proceeding. Since the schedule calls for SCE to distribute supplemental prepared testimony on September 26, 2005, the motion for stay is reasonable. I grant the motion pursuant to Rule 45(g) of the Commission's Rules of Practice and Procedure, which permits ruling on a motion prior to the usual time for filing responses or replies.

**IT IS RULED** that the September 21, 2005 motion of Southern California Edison Company for a stay of the procedural schedule is granted.

Dated September 22, 2005, at San Francisco, California.
